Chapter 1 by Sassy Cassy

Carly Future is giving away hints. Pay Attention Closely. She gave out her book her eye color and her hair color. There is only one of your friends that has written about that.

Don't Trust Anyone

Sassy Cassy

Chapter 2 by Sacred

See, as you can tell, this person is trying to get attention by saying there are hints! ooo I am so scared, I do not know what you think, but I think we should ignore it, and wait until they just go away, if you are seeing this, just know that what these people are doing, it is useless. We may not know who they are, but they are embarrassing themselves. ~Sacred
